LUCANO 3-STEP LADDER

\$199.00

QUANTITY - 1 +

Expertly crafted and meticulously designed, this slim, lightweight, and sturdy 3-step ladder is as beautiful as it is functional.

STORY

The Lucano 3-step ladder's award-winning design was created by design lab Metaphys and Hasegawa Kogyo Co., the top manufacturer of ladders and scaffolding in Japan since 1956. Ladders are hand assembled and Hasegawa's production conforms to strict Japanese Industrial Standards. The sleek and elegant ladder is made from aluminum and steel with a satin black powder coat finish, weighs only 11 pounds, and can support up to 300 pounds of weight. From the secure safety latch and non-skid feet to safety-minded steps with integrated grooves for tread, the ladder is a perfect blend of form and function.

Here's the sitch...

You have to get the good dishes from the top shelf for your dinner party. But pulling out that old, ugly, heavy ladder from the closet is not only a hassle -- it's embarrassing. But you could probably just climb up on the counter and grab the dishes, right? What's the worst that could happen?

Hold Up!

What if you didn't have to take that chance? What if there was an exquisitely designed, dare we say beautiful, step ladder that you'd actually be proud to leave out? Introducing the Lucano 3-Step Ladder from Hasegawa.

Expertly crafted and meticulously designed, this slim, lightweight, and sturdy 3-step ladder is as gorgeous as it is functional. At only 11 pounds, with the ability to fold to 7 inches deep, it's easily portable.

But we're guessing you just might want to leave it out. Get your Lucano 3-Step Ladder today!
